**LIFE IS GOOD ON
OUR FUR FARM...**

WelFur, animal welfare at its best

GOOD HOUSING

Nice house for a living! We have space and the most comfortable part is our nest box, the warmest place for the best naps.

GOOD HEALTH

If we are sick or injured, our farmer takes care of us.

GOOD FEEDING

Every day we eat fish and chicken. Delicious! About water, we have it on demand.

APPROPRIATE BEHAVIOUR

We like to play together and get a daily visit from our farmer.
